Group Art Unit: 1614

Filed: July 7, 2003

Confirmation No.: 7889

Title: NEW PHARMACEUTICAL COMPOSITIONS BASED ON NEW
ANTICHOLINERGICS AND NK₁ RECEPTOR ANTAGONISTS

REPLY TO NOTICE OF NON-COMPLIANT AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Notice of Non-compliant Amendment mailed January 22, 2007, the Reply filed January 12, 2007, is resubmitted. It is believed that the "Withdrawn-Previously presented" status identifier is acceptable pursuant to the Notice from the PTO in **1296 OG 72**, "Acceptance of Certain Non-Compliant Amendments Under 37 CFR 1.121(c)," which allows "clear and accurate" status identifiers of this type. However, the status identifiers are changed to comply with the strict requirement of the Notice.

In response to the Office Action mailed September 14, 2006, kindly amend the above-identified application as follows. A petition for one month extension of time and fee is filed herewith.

Amendments to the Specification are shown on page 2 of this paper.

Amendments and additions to the **Claims** are reflected in the listing of claims which begins on page 3 of this paper.

Remarks/Arguments begin on page 12 of this paper.
